

## FOR IMMEDIATE RELEASE

### **System Soft Technologies LinkedIn Live - Ask an Expert: Why Does My Organization Need Intelligent Document Processing?**

*Save the date for the final episode of a 3-part interactive, Q&A series for business and IT leaders, who need to know the answer to: How does my organization start its IDP journey?*

TAMPA, FL—July 6, 2021—[System Soft Technologies](#), a leader in enterprise IT services, solutions and products, today announced the company is hosting a LinkedIn Live streaming event at 11 a.m. ET on Thursday, July 15, 2021. The final episode of a three-part LinkedIn Live series —“Ask an Expert: Why Does My Organization Need Intelligent Document Processing?”—will help business and IT leaders get started on their IDP journey.

This LinkedIn Live event will also share how IDP is gaining momentum, the specific advantages of IDP, and how IDP translates into better business outcomes for organizations.

After a live interview between business process automation experts Tom Helfrich, Vice President Intelligent Automation at System Soft Technologies, and Micah Smith, Director-Developer Evangelism at Automation Anywhere, the tandem will explore how an organization can begin its journey with IDP, which promotes automation, simplifies compliance, supports scalability, saves costs, increases speed and enhances the customer experience and satisfaction.

Join both Helfrich and Smith as they take a deep dive into the benefits of IDP, along with artificial intelligence, and answer attendee questions during this LinkedIn Live event.
