

DIVERSITY & INCLUSION

at System Soft Technologies

**The team who works together, wins together
— for our clients and ourselves.**

Diversity and Inclusion:
The Glue Holding Us Together.

System Soft Technologies is dedicated to creating and maintaining an environment that welcomes and celebrates the diversity among its teams and staff. We are committed to fostering a healthy, inclusive community, where everyone has access to opportunities and to thrive professionally and socially as we pursue a common goal.

We believe developing cross-cultural empathy and understanding is vital in helping System Soft employees from all walks of life—LGBT+, DiversAbility, Multi-Cultural/Ethnicities, Women and Veterans—realize their true potential. We see you for your talent, skills, experience and passion. We collaborate on different opinions and perspectives to better explore best possible outcomes for the people and businesses we serve.

We live and breathe diversity and inclusion.

WE EMBRACE OUR DIFFERENCES

Diversity

We value individual differences in our workplace.

Equality

We treat everyone at work in a fair manner, considering their individual needs.

Inclusion

We provide equal access to opportunities and resources for people, who might otherwise be excluded or marginalized, such as those who have physical or mental disabilities and members of other minority groups.

Respect

We value and consider all others at work.

A Word from Our CEO

“As a minority-owned business, System Soft Technologies recognizes the value of diversity as a catalyst for equality and expression. We embrace it, because when we hold hands in respect and acceptance, we can overcome barriers that limit our ability to capitalize on the unique fabric of our organization.
